Dear Ms. Dortch:

On behalf of Word of God Fellowship, Inc., ("WOGF"), permittee of Station KRMT-DT, Denver, Colorado, this will request the withdrawal of the June 27, 2006 request for waiver of the July 1, 2006 Replication/Maximization Interference Protection Deadline ("Waiver Request").

As noted in the Waiver Request, WOGF had filed a minor change application which was then pending.¹ The waiver was sought to allow sufficient time for processing

of the minor change application and construction in accordance with the construction permit.

Construction of the digital facility has now been completed, and an application for license has been filed.² Accordingly, there is no longer any need for the waiver of the replication/maximization interference protection. The Waiver Request is, therefore, withdrawn.

Additionally, WOGF had filed an application for Special Temporary Authority to operate with an antenna other than that authorized.³ The Special Temporary Authority is no longer needed, and the application may be dismissed.

There is also pending a previously-filed application for license.⁴ It is no longer needed, and may be dismissed.

Should additional information be necessary in connection with this matter, please communicate with this office.

Very truly yours,

/s/ James A. Koerner
